

## Ludlow CAB Walks,

### Programme 83, Feb-May 2018.

Come and explore the beautiful area around Ludlow. Everyone will receive a friendly welcome. We usually start at 10.0 am, take between 2 1/2 to 3 hours, and end with an optional pub lunch. We arrange occasional shorter or longer walks, but this will be clear in the programme. Walks are cross country, and there are stiles to climb, so boots or walking shoes are needed. While the leader has always checked the walk in advance, you come at your own risk.

We have been making voluntary contributions to Citizens' Advice for many years, - Total to date £9077.

If you want general information about the group, ring Susan on 877315, (except during April, when Roy 874011 will take over) or for individual walks, the leader.

Day/date	Place	Post code	Grid	Leader
w/c 19th Feb	None
