

Ludlow CAB Walks,

Programme 84, June- Aug 2018

Come and explore the beautiful area around Ludlow. Everyone will receive a friendly welcome. We usually start at 10.0 am, walk 5-6 miles & take between 2 ½ to 3 hours, ending with an optional pub lunch. We arrange occasional shorter or longer walks, but this will be clear in the programme. Walks are cross country, and there are stiles to climb, so boots or walking shoes are needed. While the leader has always checked the walk in advance, [you come at your own risk.](#)

Photo by Lily Wang

We have been making voluntary contributions to Citizens' Advice for many years. Total to date £9,193.

£116 sent from the last programme.

Thanks to all who have made donations, and to all leaders & those who have walked with us.

If you want general information about the group, ring Susan on 877315, or Roy 874011 or, for individual walks, the leader.

Walks programme 2018 Summer
