

Ludlow CAB Walks,

Programme No: 91, March - May 2020.

Come and explore the beautiful area around Ludlow.

Everyone will receive a friendly welcome. We usually start at 10.00 am, walk 5-6 miles taking between 2 1/2 to 3 hours, ending with an optional pub lunch. We arrange occasional shorter or longer walks, but this is made clear in the programme. Walks are cross country, and there are stiles to climb, so walking boots/shoes are needed. Whilst the leader has always checked the route in advance, you come at your own risk.

We have been making voluntary contributions to Citizens' Advice for many years, resulting in the £10k milestone being achieved. Total to date £10,445.96.

£207.45 being sent from the last programme of walks.

Thanks to all who have made donations, and to all leaders & those who have walked with us.

If you want general information about the group, ring Roy 01584 874011, or Susan 01584 877315 or, for individual walks, the leader.
